

Video editor specializing in short-form and educational content, turning raw footage into scroll-stopping, on-time deliverables. Sharp sense of pacing, captions, and trending formats across CapCut. When I'm not in the timeline, I operate as a virtual assistant, organized and detail-driven in data handling, smooth communication, and foundational bookkeeping in QuickBooks Online. Reliable, fast-learning, built for remote work on US hours.

- ## MASTERY

Video Editing	80%
AI Tools	55%
Virtual Assistant	50%
Graphic Design	50%
Bookkeeping	35%

Video Editing — CapCut, short-form content (Reels, TikToks, YouTube Shorts), long-form YouTube, promotional ads, educational content, captions & transitions
